

Thank you to Persimmon Home for their generous goodwill gesture.

Persimmon Homes who are in the process of a housing development on Green Lane, Hindley Green have generously donated £250.00 to the Hindley Green Residents Association.

As a gesture of goodwill we would like to make a donation to your Residents Association of £250 .

We have received an overwhelming response to this development and now have over 1000 enquiries from local Wigan residents whom have expressed an interest to purchase a new house in Hindley Green .

I'm sure this will greatly enhance the area and will also offer several affordable properties for people to get on the housing ladder , a much needed commodity in today's market .

I'm sure you will see the development taking shape in the next few months and Im sure this will be a huge success .

kind regards
