Dear Mr. Harris,

CROCIDOLITE ASBESTOS - HINDLEY GREEN SITE

I refer to Mr. R. Sykes' letter to you dated 29th April 1982 (copy enclosed).

May I now advise you that it is the Company's intention to comply with your recommendations concerning our affected portion of land, by covering the whole area with boiler ash - soil and subsequently with grass seed.

This work is now under way and it is anticipated that it will be completed in the next few weeks.

I hope this meets with your approval.

Yours faithfully,
